Product Details

Upgrade your undercounter sparkling water dispenser with the 90 series! The 90 series feature stylish two-tap or three-tap dispensing faucets that are counter-mounted to save valuable space and are easily accessible for glass or bottle filling. The two-tap options offer cold and sparkling water while the three-tap machines dispense cold, ambient and sparkling water. The 90 series uses ice bank cooling technology to provide a high volume of filtered still and sparkling water, perfect for busy restaurants, clubs, and catering operations.
