Specifications

Product Details

Deliver café-quality convenience with the Bodecker CX. Enjoy individual 8, 10, or 12 oz. cups from a wide variety of specialty beverages, with the option to choose from three brew strengths for a customized experience. The Bodecker CX also features 2 powder hoppers for milk powder and vanilla or chocolate powder to expand café brew selections. The easy-to-use colour touchscreen makes selecting your perfect cup simple, and with a quick 60-second brew time, it's ready when you are. Need hot water? Dispense it instantly for soups, oatmeal, or other beverages. Plus, with eco-friendly, recyclable pods, you can serve great taste while supporting a greener workplace.
